Director/ Founder

Established in 2018, the Bharat Pickleball and Tennis Academy is located in Bijwasan, part of the Palam Vihar region of Delhi. Since its inception, the academy has consistently ranked among the top tennis academies in Delhi/NCR, thanks to our unwavering commitment to high-quality training and nurturing the full potential of our athletes.

Renowned for our rigorous training standards and emphasis on overall wellbeing, the academy is home to over 10,000 athletes and a team of qualified, experienced coaches. We have a proud history of producing not only top-tier athletes but also successful professionals who excel beyond the court.

At Bharat Tennis Academy, we instill the values of good sportsmanship, helping our players grow into not just great athletes but also well-rounded individuals.

Our programs are designed to enhance technical, mental and physical aspects of the game, offering a comprehensive tennis experience tailored to each participant's needs. Whether you're a beginner or an advanced player, child or adult, our inclusive training camps welcome players of all ages and skill levels.

Join us to unlock your potential and take your game to the next level — with Bharat Pickleball and Tennis Academy, where passion meets performance.

# Vision & Mission

► At **Bharat Pickleball and Tennis Academy**, our vision is to deliver productive and insightful training programs that elevate every aspect of a player's game. Through structured drills and expert coaching, we aim to:

- \* Refine stroke techniques
  - \* Enhance match play performance
  - \* Boost both mental and physical fitness
  - \* Promote the values of true sportsmanship
- Offer diverse tennis and pickleball programs that support holistic skill development

We aspire to inspire and unite global communities through tennis and pickleball by building an inclusive, engaging, and thrilling playing environment for both athletes and spectators.

► Our mission is to nurture players of all ages and skill levels into accomplished athletes by providing:

- \* World-class coaching and mentoring
- \* Access to top-quality training facilities
- \* Comprehensive fitness and recovery programs
- \* A supportive environment that cultivates excellence, resilience, and character

Through a blend of passion, precision, and performance, we are committed to shaping the next generation of professional tennis and pickleball players.

# Our Objective:

At Bharat Pickleball and Tennis Academy, our goal is to inspire a lifelong love for tennis and pickleball in every player. We do this by providing:

**High-quality coaching**

**Inclusive, age-appropriate programs**

**Supportive and fun learning environment**

We welcome players of all ages and skill levels, and we aim to:

**1**

**Promote physical fitness, discipline, and teamwork through structured sports education.**

**3**

**Identify and nurture talent at the grassroots level, helping players reach their full potential.**

**2**

**Build a strong foundation of fundamental skills and game understanding.**

**4**

**Encourage sportsmanship, resilience, and personal growth on and off the court.**

Whether you're here to compete or just play for joy, we're committed to helping you learn, grow, and love the game for life.
